

- i) Unpack .zip file to the Desktop.
- ii) Go into the folder and run "MoneyScaleUpdateTool.exe"
- iii) Resize the window so all the instructions can be clearly seen.
- iv) Click the "Retail" radio button and ensure "Factory Reset" option is unticked.
- v) Follow the instructions provided on screen...

MoneyScale Update Tool

Start Update

☐ Banking
 ☒ **Retail**
☐ Standard
 ☐ Factory Reset

Status: Found 2 Firmware Files

Profile 1: 2019.4 (EUR)
 Profile 2: 2019.6 (GBP)
 Profile 3: -

Ensure "Retail" is selected & "Factory Reset" is unticked. Then follow the steps below.

1.

Connect your money scale to the PC.

2.

Switch on your money scale. When the money scale is on, press and hold the [OK] button. Release the [OK] button when the display shows 'TRANSFER'.

3.

Click the button [Start Update] to update your device.
